Welcome to Bergen - Norway

Bergen is a city on the west coast of Norway. Bergen is an international city packed with history and tradition, a big city with small-town charm and atmosphere.

What to bring

You need to bring two printed copies of your roster, your dice and your team.

Your team must be painted and all models must be clearly recognizable to your opponent. All skills must be clearly noted on your team roster before the tournament starts and all positions and all skills must be written in English to avoid language confusion. A roster must be emailed to the organizers prior to the event.

The organizers will provide pitches.

The venue

The venue is located in the City Centre in Bergen at [Klosteret 2](#), “Nordnes bydelshus.”

The cost

300 NOK for NAF members or for new NAF members (membership included!). Membership in the NAF is mandatory to attend the tournament, as only matches between two coaches will be tracked in the NAF ranking database.

Current members can renew their membership at the standard NAF cost (at the time of writing this is 50NOK).

Give aways from the NAF to new and renewing members will be available at the tournament.

To sign up Paypal sj_norway@hotmail.com with your name, your e-mail, NAF Name and Number (if you are a member) marking payment as Pouring Rain Open. Please use the “Send a gift” option so that we don’t lose out on fees. You could also use the mobile pay app Vipps to: 40531266 (Stephen Smith)

Getting there

You can travel there by car, bus, train or plane. Should you be coming from abroad the most comfortable, cheapest and easiest means of travel will most likely be to go by plane.

The airport is called "Bergen Airport Flesland" and is located approximately 20 kilometres from the city centre. There is light rail (40 mins, ~3,5 Euros) to the city centre that leaves from just outside the exit from the airport every five/ten minutes.

The train station in Bergen is in the city centre. There is a direct route from Oslo to Bergen which is famous for the nice scenery across the Hardangervidda plateau at over 1.000 metres above sea level. See www.vy.no for time tables and prices.

If you need help/tips on travel arrangements contact us and we will assist as best we can.

Getting home

We will finish shortly after 17:15 on Sunday so that people have time to get home. The venue is a 30 minute cab ride from the airport and we will help you out if you are in a hurry. Here are some direct flights (at the time of writing February 2019) that might be helpful, and we will make sure we finish in time for:

Tournament Rules

Please keep in mind that the purpose of this event is that people have fun playing their favorite game. We encourage all to contribute to a friendly environment where everyone can enjoy both their games and the time spent in between rounds with their peers.

The tournament organizers will do their best to ensure that the tournament runs smoothly and everything is provided to enable the players to get as much enjoyment as possible from the event, and likewise the players should do their utmost to hold up their end of the bargain.

Most important of all, enjoy yourself!

Basic Rules

The tournament uses the rules from BB2016, Death Zone 1 & 2, Spike magazines and the NAF website. <https://thenaf.net/tournaments/nafdocs>

For the Star Players allowed in the tournament please consult <https://www.thenaf.net/wp-content/uploads/2019/11/NAF-Rules-for-Tournaments-2020.pdf>.

Legacy Stars will not be allowed (no Zara the Slayer or Hack Enslash for example).

We play according to the resurrection style of play. All coaches start each game with the same roster and skills they registered before the tournament. Illegal procedures will not be called throughout the tournament. There will be a stunty cup for Ogres, Goblins, Halflings and Underworld with no Skaven.

Pouring Rain special rule

To reflect Bergen's reputation as one of the wettest places in Europe, the tournament will have its own weather table. On a roll of 4 to 10 the weather is nice (lucky you!), all other results mean the rain is pouring down.

Keeping up with time

The 4 minute turn limit will not be specifically enforced throughout the tournament. There is however a time limit for each game according to the schedule below. If a tournament official believes that a game will not be completed within the allotted time with 1 hour remaining, the players will share the time left using a chess clock/app. Any player may request to use a chess clock and share the remaining time at any time..

Fair play

All players must allow their opponents to share their dice if requested to do so. We recommend you decide with your opponent what constitutes a cocked dice before kick off.

Team building

Team building will follow the rules for the Eurobowl 2020 in Poland, that can be found here: <http://eurobowl.eu/2020/default.asp?p=2>

Draw for Round 1 will be random.

Draw for subsequent rounds will use the so-called "swiss" system, where opponents with equal amounts of tournament points will be paired against each other.
